Focus on the Masters Archive and Library (FOTM) is celebrating its 25th Anniversary this year with our annual ***For the Love of Art*** - a joyful FUNdraising Gala, in support of community art enrichment programs, including our award-winning *Learning to See Outreach* that brings quality arts education to schools and community centers.

FOTM is a non-profit art appreciation program that documents, preserves and presents the works and lives of accomplished contemporary artists, emphasizing the importance of the arts to a healthy society. Our in-school, hands-on *Learning To See Outreach* art program:

- targets upper elementary and middle school youth in lower income schools.
- empowers students with the gifts of resiliency and confidence in their own unique expressions.
- emphasizes critical thinking, creativity and celebration of diversity.

Because you understand the importance of a vibrant and healthy community, we are asking you to help sponsor this important event. Our success is attributed to the extraordinary people, companies and organizations who have shared our passion for the arts.

Sponsorships may include: name included in all radio spots , name and logo in PSA, video promotion, social media and other perks.

Please call 805.653.2501 if you have any questions regarding sponsorship. If you know of a company or individual that may have a passion for arts education and is able to help, please let us know. We would be happy to send them more information.

On behalf of our Board of Directors, staff and volunteers, thank you for your willingness to partner with FOTM in continuing to bring arts enrichment to our community!
