Dear Valued Arts Supporter:

Focus on the Masters Arts Archive & Library is proud to partner with the Victorian House and Point Broadcasting for this year's *30th Anniversary Celebration* in support of arts education in our community.

In addition to works of art, we'll be offering gift certificates and other items from local merchants. Will you help us by donating merchandise or a gift certificate for our raffles and Silent Auction?

Funds raised from the raffles and silent auction will support these outstanding programs:

- Learning to See Outreach - bringing hands-on art experiences to our schools;
- FOTM Archives - to document, preserve and digitize our FOTM Master Artists' lives and works;
- Artist Spotlight - introducing the community to FOTM documented artists through live video interview format.

Thank you for the role you play in our community. We'd be proud to have you join us. Questions? Call our office – 805.653.2501 – we'd be happy to chat with you.

Many thanks!
